Address/City/Zip: _____

Have you ever been to CFO before? _____

If yes, which one? _____

How did you hear about CFO and what led you to want to come?

I understand that:

1. Applications should be mailed to the registrar *at least* two full weeks before camp begins to be considered. No scholarship will be awarded without receipt of this application.
2. If I am provided with a full or partial scholarship to camp, I expect to participate in the full CFO program.
3. Scholarships are dependent on availability of funds and space. Scholarship availability is based on the donations of CFO campers who give sacrificially to enable newcomers to experience God's joy and blessing at CFO. We trust God for all provisions.
